## CUMBRIA COUNTY LADIES v NORTHUMBERLAND LADIES

Sunday 24<sup>th</sup> April 2022 - Eden Golf Club

The County Squad match against Northumberland was the last of our friendly matches in 2022. Someone above was smiling down on us as once again we had bright sunshine and the waterproofs were able to stay firmly in the bags. For the players that is. The cool wind ensured the supporters and officials remained fairly well wrapped up!

What a wonderful display of golf we were treated to. There were several juniors playing on both sides, but this did not mean we got sub-standard golf. Far from it! These juniors are the future of the county and if what we saw is anything to go by, both counties have great things to come. The standard of golf throughout the teams was amazing. The skill level of all golfers was a sight to behold and golf swings were simply to be admired and savoured.

Now the format of CMW has changed to three days, with singles and foursomes played in the same session, we decided to play singles first on the front 9 and foursomes on the back 9. This enabled the players to get into a rhythm before they played their foursomes matches. This certainly worked for Cumbria as we won 4, drew 2 and lost 2, so 4 points ahead going into the foursomes. Splitting the latter 2-2 meant a final total of Cumbria 14, Northumberland 10. Congratulations to the team for their first win. May there many more to come in CMW!

A big thank you to Jodie Hodgson who joined the Squad for the second time this season, her first being against the Vets at Furness and congratulations to her on drawing her singles match. I also must introduce and thank Carys McDonough who played for the Squad for the first time. Both her singles and foursomes' matches were very close. Soon after the match had finished, Carys was whisked away by Mum over to Matfen Hall for a golf lesson. Now that's dedication!

Once again, I must express my gratitude to our hosts, Eden Golf Club, for putting themselves out to accommodate all our needs; reserving bays at the driving range, giving us courtesy of the course and for the delicious food at the end of the day, catering for our varying requests without complaint. The course was in really good condition too – and we are only in April!

Fliss Holloway  
County Captain
