CUMBRIA COUNTY LADIES v CUMBRIA VETERAN LADIES

Sunday 26TH March 2022 – Furness Golf Club

Usually at Furness we expect it to be windy and always with the possibility of rain. Not so this year - for this fixture anyway! The weather could not have been better. Who would have thought that we would be playing in March with virtually no wind and lovely sunshine, allowing the team to play in summer clothing?! Amazing!

Quite a few of our low handicappers were missing this fixture for one reason or another. Three of the squad are in the US of course and other commitments, injury and illness enabled us to give our higher handicappers a chance to play including some new Squad members and a junior who has not played for the Squad before. Even County Captain had to put in an appearance. Hopefully for the last time! Nevertheless, we went in with great confidence. After all, anything can happen in match play, can't it?!

There were a few of us who didn't know the course very well and either hadn't played it for a long time or hadn't played it at all!

The format for this match is 9 holes foursomes followed by 9 holes singles match play. The Squad were down 2 – 6 after the foursomes, but of note, Rebecca Wildey, who has fully joined the County Squad this year, and Jodie Hodgson, our junior player, won their foursomes match, giving us our only win. Well played both!

We battled on with a big comeback needed but it was not to be. We managed two wins and two draws, although there were a few close matches which didn't quite go the Squad's way. The match ended with a comprehensive win for the Vets. Congratulations to them.

Final Result – County Squad 8 - County Vets 16

A huge thank you to Alyson, Vets County Captain, for organising the event and thanks to Furness GC for the use of the course. Thanks also to their catering staff for providing an excellent Sunday lunch.
