

County Team

Match v County Veteran Ladies 26th March 2023

What a fantastic start to our friendly matches, we played the county ladies vets at Appleby today winning 7.5 v 4.5 🤝🤝. Conditions were challenging to say the least, the strong icy cold wind was baltic and the greens were difficult to read. But at least it didn't rain 😊 A few of the team either had never played Appleby or not for a long time which made our win even more special. The county vets play all their home matches at Appleby and so are really familiar with the course! I am one very happy Captain and you should all be really proud of your performance today, well done. We have our next friendly match against Carlisle Men's Scratch Team at Carlisle on Saturday 15th April - I'll send a separate note out about this and our next training session at Penrith Hub on Sunday 2nd April. Hope you have managed to get warmed through by now! And finally our thanks to Fliss for stepping in to make up our team - 👍 Jenny CC
